

“let’s bolt”

June 22, 2007

Dear Artists,

On behalf of Lumi Tan of Zach Feuer Gallery fame and all of us from Metro Color Collision, we would like to invite you to submit work for our upcoming exhibition "Let's Bolt".

"Let's Bolt" takes its name from the mythic My So Called Life episode when Angela and Rayanne were denied entry to see their all-time favorite band - Let's Bolt. The exhibition is about our favorite music and how it shaped our formative years, taught us to love, hate and destroy, and basically everything that growing up and listening to music is all about.

Your contribution:

We are asking you design a poster, flyer, invitation card, t-shirt or anything of that sort reflecting a concert you wish you had attended but never did. The details are entirely up to you.

The exhibition opens August 11, 2007 at 6 pm at the CSV center on Suffolk street between Stanton and Rivington in the LES.

There will be drinks and music and all your pretty faces.

Please submit your work directly to either Lumi, Matt or me no later than Friday, AUGUST 3RD.

Please feel free to contact me directly with any questions and most importantly, make this project as fun and exciting as that show probably was!

With anticipation,
Julie, Lumi, Matt

ps. please pass on to fellow artists
